## Online Payments

It is now possible for parents to make online payments to the school for amounts owing for students, via a secure payment page hosted by Westpac. Payments can be made using either a Visa or MasterCard credit or debit card and can be made via computer, tablet or mobile phone. The payment page is accessed from the front page of the schools website by selecting \$ Make a payment.

Items that can be paid include voluntary school contributions, excursions, sales to students and creative and practical arts activities (these include band, drama and dance). There is also a category called 'Other' to cover items not covered in the previous headings. Other can be used to make a complete payment of a school invoice.

When you access the \$ Make a payment you must enter:

- the students name, and
- class and reference number OR
- the students name, and
- date of birth

These details are entered each time you make a payment as student information is not held within the payment system. There is also the option to enter the Student Registration Number and Invoice number if you are aware of them. These are optional fields OR there is also the option to enter the Student Registration Number and Invoice number. As these are not used at our school, please leave blank.

This is a secure payment system hosted by Westpac to ensure that your credit/debit card details are captured in a secure manner. These details are not passed back to the school.

You have the ability to check and change any details of the payment before the payment is processed. Receipts can be emailed and/or printed.

Details of the payments are passed daily to the school where they will be receipted against your child's account. Once funds are processed against your account, a receipt will be sent home with your child.

For any enquiries regarding the Online Payment process, please contact the School Office.
