Principal's Message

The Gold Level Reward day went smoothly on Friday, despite some uncertain weather. By all accounts, the movie was good and the behaviour was exemplary. Similarly, a great time was had by Year 6 on their visit to Jamberoo Action Park on Tuesday. They even managed to coax their principal onto the Taipan ride! From what I can gather, Kindergarten also enjoyed themselves thoroughly at Symbio and managed to avoid any unpleasant weather. And to finish the day on a highly positive note, Picton High School's Presentation Night featured a parade of Thirlmere ex-students taking the lion's share of the major awards, including the CWA Tertiary Scholarship (Natalija), the 2013 Dux (Caitlin) and the Young Humanitarian Award (Morgan). In addition, three of the four School Leaders at PHS for 2015 are from Thirlmere (Morgan, Liam and Piper). We must be doing something right here.

Super Savers

Congrats to Brianna and Jessica for their good saving habits. They obviously have an eye on the future.

Joggers' Club

The following students have achieved "milestones": Sarah, for 25km. Another picture to go on our website!

Some End Of Year Changes

Teachers have voted to have two extended staff meetings on 8th and 15th December, which means that we will have only one School Development Day after the students finish on Wednesday 17 December. **The school will be closed on Friday 19 December.**

A New Way of Coming and Going

A new gate has been installed along the Barbour Rd fence, giving access to our school via the rear security fence gate near the vegetable garden. This will be available each morning and afternoon, hopefully taking some of the pressure off Oaks Road. There are no parking restrictions on Barbour Rd, but please exercise care, as there is no marked crossing either.

Security Gates

Please note that the gate on Goodlet St near the bus bay will be locked between 9:15am and 2:30pm each day. Entry will still be available via the front gate on Oaks Road. This arrangement provides added security for our students.

Teach your kids to be waterproof

As temperatures rise, the risk of drowning increases too. Review these water-safety tips to help keep your family safe this summer.

Ready for high school

Can you recall what you were most apprehensive about when you started high school? This video of Year 7 students explain why teens shouldn't be worried about starting high school, and how they can get off to a great start in the first few days.

Watch the videos:

Choosing school shoes

Are expensive school shoes the best option for happy feet? Let's face it. School shoes have never been at the cutting edge of fashion. In fact if you look at what your parents were wearing, the humble school shoe really hasn't evolved much at all.

Tips for choosing shoes:

<http://www.schoolatoz.nsw.edu.au/wellbeing/health/choosing-the-right-school-shoes>

Road safety reminder for parents and carers these holidays

Remember when walking near roads, on footpaths, near driveways and in car parks always: hold your child's hand, talk to your child about road safety and point out road safety dangers and differences in new environments.

The best way to keep your child safe on or near the road is to hold their hand. Talk with your child daily about road safety. For further information visit:
