Term 2 – Week 6

RELIEVING PRINCIPAL'S MESSAGE

Welcome to my first newsletter during the period of Mr Lord's leave. I know that this will be a busy period of time and I look forward to the opportunity of working closely with all members of the school community. Whilst I will miss my little faces in 1G they are definitely in trusty hands with Miss Patricia Jackson. The staff and students in Stage 1 are looking forward to working with her.

Principal's Awards

This week's winners were Matthew, David, Sarah and Bridget. Their picture will be on our website shortly.

2-6 Athletics Carnival

Students in Years 2-6 attended an eventful Athletics carnival yesterday at Tahmoor oval. There were some great athletic achievements on the day and results will be posted in coming weeks. I'd like to thank the many parents who assisted on the day either time keeping, serving in the canteen or raking sand in the long jump pit. It is days like this that we truly value the extra help you provide. A special thanks to Tim and Kelli Bennett-Smith who were at the oval in the early hours of the morning to assist with set up and then remained all day to lend a hand and share their valuable long jump knowledge.

Staff Update

As reported in last week's newsletter both Mr Lord and Mrs Karolis are taking long service leave. The following table lists the stage supervisors for this period of time. Should you have any concerns please see your child's class teacher or the stage supervisor.

Early Stage 1	Ms Debra Mace
Stage 1	Mrs Selena Gandy
Stage 2	Mr David Gardiner
Stage 3	Mr Mark Berwick

Ms Moutos continues to do an outstanding job on 1R as Mrs Reason is still unable to return to work. We wish her well during this period of extended absence.

Reports

Yes it's that time of year again. Staff are currently spending many hours consolidating your child's achievements into meaningful and informative Semester reports. These will be sent home in the final week of term. I encourage you to praise your child's achievements and consult with your child's class teacher if you have concerns. Please avoid the tendency to compare children with each other and rather use your child's own progress across a period of time as a benchmark.

Security Fence

I am expecting work to commence on this within the next fortnight. During this period of time there may be some minor interruptions to routines and regular access points to school. Staff will be working quickly to put into place new routines. We appreciate in advance your patience with this.

Cyber Safety

We have recently had a number of queries about the internet, cyber safety and cyber bullying. Therefore, I have including some information from the "Think U Know" organisation in this week's newsletter to assist parents with this difficult issue.

Working with Children Check

As of 15 June 2013, all people involved in child-related work (which includes those volunteering in our school) must either apply for a Working with Children Check Clearance, or complete a Working with Children Check Declaration. The implications for both are as follows:

- A WWCC Clearance, if granted, allows child-related work or volunteering across all organisations, including schools, sporting clubs, scouts/guides, etc. Applications are made online at www.kids.nsw.gov.au. There is no cost for volunteer clearance.
- A WWCC Declaration can be made by any person wishing to volunteer in the school, and includes a 100 Proof of Identity check. It is only valid for the place where it is lodged.

Either one of these is necessary for all volunteers in our school. This includes canteen, classroom assistance, sports coaching and any activity where there is contact with students.

I will end each week with a quote that is important to me, our school and your children. This was once given to me on a gift from a child. It puts into perspective our role as teachers.

"Children are born with wings, teachers help them to fly."

Have a wonderful long weekend and stay safe.

Selena Gandy

Gold Medal Assembly and Award Cut Off Dates

The Gold Medal Assembly will be held on **Tuesday 24th June at 9:30am**.

The following dates apply to the trading of awards for this term. Awards not submitted in time this term need to be held over for the next assembly this year.

10/6/14 - All Merit awards due to the school office.
16/6/14 - Final Principal awards will be given for this term.
17/6/14 - All Principal awards due to the school office.

Please remember awards can be traded after these dates but students will not receive their banner or medal at the assembly this term.

Uniform News

Our winter uniform is now available from the Uniform Shop. Anyone in need of additional winter uniform items should place their orders as soon as possible to avoid having to wait for stock to come in.

The shop is open Tuesdays and Thursdays from 8.30am to 9am and 2.30pm to 3pm. If you are unable to access the Uniform Shop during these times, orders can be placed through the office.

Amanda Lee

Andrew (6S), Lachlan (5G), Jack (5G), Taylor (4G), Grace (3K), Ryan (3K), Angela (2B) and Mrs Pearce and KP

for already completing the Premier's Reading Challenge!

They shared some of their tips for success...

Taylor – I go and check out the new books in the library, they make me excited to read. I visit the library at lunch time and read some of the 3-4 Challenge picture books.

Ryan – I chose books that I could read easily. I would write the names of the books on my list as soon as I got them so that I wouldn't forget.

We encourage everyone to get involved! Students in years K-2 experience 30 books and 3-6 students must read 20 books by 15 August. If you would like to add more books to your reading challenge, visit the Premier's Reading Challenge website and 'Logon' using your school username and password.

Scholastic Book Club brochures were handed out last week.

By purchasing books through Book Club we are encouraging reading *and* earning points for Thirlmere Public School! Those points are used to choose more books for our lovely library.

We made sure we sent out the brochures this month as there is a **great competition!** The winner receives \$500 worth of books for their school library as well as one of eight Minecraft prize packs. Simply fill in the entry form on the back of your brochure when you make a purchase.

If you are interested in buying through Book Club, please return forms and money to the Office by Wednesday June 11.

If you have any questions or missed out on your Book Club brochures simply drop by the library.

SCHOOL FINANCE & OFFICE NEWS

Payments

All excursions and sporting events have a last day to pay date. Parents are asked to have payments to the office before this date, as our new system will not allow payments to be processed after the date. This will avoid any disappointment for your child.

Band News

Term 2 Band Fees are now overdue. Our band tutor's invoice has been received and payments must be made before the end of term. Please send payments or EFT details as soon as possible.

P & C Update

4th June 2014

I am writing to you all today in regards to an update of received Cyber safety information. If you attended our schools Cyber safety session last term, you will be more than aware of the dangers. Some of the risks are absolutely ridiculously obvious.... But the increasing numbers of kids and adults that 'dance with these devils' is frightening!!!

Kik, Tumblr, Vibe, Instagram, Snapchat, and yes good old Twitter and Facebook... These sites are all predator territory. Photos, personal information, opinions, anything you post is fodder for the worst kind of opportunists in our society. And not just the nasties.

Future employment opportunities, potential sporting, academic and personal goals, school/community leadership positions... All of these things can be and are affected by the scrutiny of online behaviour.

Self promotion of an inappropriate nature including sexual, alcohol and drug related activities, teasing, taunting, baiting, intimidating, character defamation, threats and bullying....

Do you know what your kids are doing online?

Do you know who is watching your kids online?

Access is all hours, anywhere, anytime, anyplace. Our fingers do the talking, and usually without any thought of consequence or recompense. We can post anything we like, then remove the offending material to hide our intent.

Bullies these days have Apps.

Kids are not the only ones that work in this way. Adults utilise these sites to promote opinions and personal agendas to the masses, often soliciting comments and mentalities that are defamatory and based on half-truths.

Tagging, liking or not liking, personal attacks, blacklisting individuals/schools or community organisations...

Do you participate without getting the facts?

Do you know what the real story is?

Do you know what your digital reputation is?

Further information can be accessed at www.cybersafety.com or just by typing cyber safety into your computer. Please also check out the attachments that will be accompanying the school newsletter over the next couple of weeks.

If you would like to talk to me about anything, I am not on Facebook and do not have an App anywhere in my house. I am proud to say I am old school, FacetoFace.

Lea Blatch.

Frequently Asked Questions: Parents

Kik messenger

Follow us: [@ThinkUKnow_Aus](https://twitter.com/ThinkUKnow_Aus) facebook.com/ThinkUKnowAustralia

What is Kik Messenger?

Kik Messenger (Kik) is a free smartphone messenger application that allows users to send texts, pictures, videos and sketches. Kik uses a wireless connection or mobile data to send and receive messages.

What is the age restriction for Kik?

The age restriction for the messenger function is 13 years old. Kik also have a feature called 'Kik cards' which allows users to find images, videos and play games. This feature is restricted to users 17 years and older due to the inappropriate nature of some of the content available.

What are the potential problems with Kik?

Kik is a popular application amongst young people of all ages. Messages that are menacing, harrasing or offensive can see young people in breach of State and Commonwealth legislation. Ethically, young people need to be aware that the messages they send can have a significant impact on other people.

As Kik also has the capability for users to share images it is important your child is aware of the legal and ethical ramifications of sharing sexualised, provocative and nude images.

It is extremely important that parents and carers are aware of the issues associated with various apps and websites so that they can openly communicate with their child about safe and responsible usage.

How can I limit who can contact my child on Kik?

Kik has a setting that allows you to ignore new people who might talk to you. It's a good idea to make sure your child enables this feature before they start using Kik to prevent people they don't know from communicating with them.

To enable this feature select **Settings > Notifications** and turn **Ignore New People** to **ON**. This will hide any messages sent to your child from people who aren't on their contact list.

How can I block someone on my child's Kik account?

It's really important that you know how to block and report on every social networking site or app that you might use. To block a user in Kik select **Settings > Privacy > Block List**, click the **+** to select the username of the person you want to block and select **Yes** or **Block** to confirm. This will make sure that all messages from this user will be hidden.

Note: A user will not be notified when they have been blocked.

How can my child delete a user on Kik?

We recommend that you monitor your child's use of Kik and be aware of who they are communicating with. This might mean going through your child's contact list together to identify who they are talking to. It is important to ensure that their contacts are people whom your child has met in real life, trust and want to communicate with on a regular basis. Consider deleting contacts that do not fall into the above categories. A step-by-step guide on how to delete a contact on Kik is available at <http://www.thinkuknow.org.au/kids/howtosn.asp>

How do I delete my child's Kik account?

If after talking with your child about the ethical use of Kik and your family's rules around technology, you may think it's appropriate to delete the Kik account.

To delete a Kik account you require your child's username and password. To delete the account select **Settings > Your Account > Reset Kik Messenger**. You then need to delete the Kik application from your child's device. Ask a friend with Kik to send a message to your child's old account and within a few days your child will receive an email (sent to the email address used to sign up for the account) from Kik saying you have unread messages. At the bottom of this email will be a deactivation link – click on this and within a few days your account will be deleted.

Note: If your child logs into their Kik account before you have clicked on the deactivation link the request will be cancelled and the account will remain active. It is important that you and your child agree to delete the account and understand the reasons behind that decision.

Open and supportive discussions around technology usage are vital in ensuring your child understands their responsibilities when using technology. Simply removing the technology is not the best response as it could potentially drive your child's usage underground where there are fewer opportunities for you to support them.

Frequently Asked Questions: Parents

ask.fm

Follow us: [@ThinkUKnow_Aus](#) [facebook.com/ThinkUKnowAustralia](#)

What is ask.fm?

Ask.fm is a social Q&A website which promotes the ability to ask anonymous questions to an individual's 'profile'. The website was launched in 2010 and is based in Latvia. Ask.fm is increasingly being associated with cyberbullying behaviour worldwide due to the anonymity of users who post and answer questions.

How can my child stay safe on ask.fm?

It is important to monitor your child's behaviour online and identify changes in behaviour around technology use.

Ask.fm has been associated with many recent cyberbullying incidents due to users being able to mask their identity when asking questions. By preventing anonymous questions being asked on your child's profile it could minimise their risk of being exposed to cyberbullying. This can be done by pressing **Settings > Privacy**, select the box next to **Do not allow anonymous questions** and click **Save**.

Am I really anonymous on ask.fm?

It is important to make children aware that they are never truly anonymous online and that their actions online can have offline consequences. The privacy policy, as outlined on ask.fm, states "any information collected by ask.fm may be shared if it is necessary to investigate, prevent or prosecute illegal activities, suspected fraud, violations to the Terms and Conditions, or as otherwise required by law or a valid government request (including, but not limited to, search warrants, subpoenas or court orders)."

How can Ask.fm use the information that my child posts?

You retain your rights to any content you submit, post or display on or through the ask.fm service. By submitting content through the ask.fm service, you grant ask.fm a license to use, copy, reproduce, process, adapt, modify, publish, transmit, display and distribute such content in any and all media or distribution methods. In other words, all information that your child posts on ask.fm can be used by ask.fm for any reason they see fit.

Who can ask my child a question?

All Ask.fm profiles are public and anyone can ask a question. It is important to know that you can restrict your child's account from receiving anonymous questions.

Who can see the answers that are posted on my child's Ask.fm profile?

Ask.fm profiles have no privacy settings - anything posted is publicly viewable. It is important that you speak with your child about what they may be posting on their profiles and how this might affect their reputation and relationships.

How can my child delete an answer on their profile?

Select **x** to the right of an answer and click **OK**.

How can I report something on Ask.fm?

Report specific answers by clicking **Report** on the drop down box to the right of an answer and selecting the appropriate reason for reporting. Click **OK**.

You can also report all answers on a particular profile by clicking **Report**, next to 'answers' and selecting the appropriate reason for reporting. Click **OK**.

How can my child block someone that is asking inappropriate questions?

Once you get another question from the person harassing you press **Block** next to each question. This will take you to a screen which asks you why you would like to block the user. Select the appropriate reason and click **Block**.

You can unblock a user by going into the account's privacy settings under **Blacklist** and unblock the user.

How can I delete my child's account?

If after talking with your child about the ethical use of ask.fm and your family's rules around technology, you may think it's appropriate to delete the ask.fm account.

To delete a profile on ask.fm select **Settings > Disable Account**, enter your password and select **Disable Account**.

Open and supportive discussions around technology usage are vital in ensuring your child understands their responsibilities when using technology. Simply removing the technology is not the best response as it could potentially drive your child's usage underground where there are fewer opportunities for you to support them.

Frequently Asked Questions: Parents

Snapchat

Follow us:  @ThinkUKnow_Aus  facebook.com/ThinkUKnowAustralia

What is Snapchat?

Snapchat is an application which is free to download on iOS and Android devices that allows users to send images ('snaps') to each other. Operating the app requires use of the device's data plan or wireless internet connection. Images can be drawn on using a whiteboard-style tool and can be given a caption. Images can be sent to other users for up to 10 seconds before they 'dissolve'.

What is the age restriction for Snapchat?

Snapchat is restricted to users over the age of 13. If children under the age of 13 sign up for an account they are given access to 'SnapKidz' which is a limited version of Snapchat that doesn't allow images to be sent to other devices.

How are kids using Snapchat?

Snapchat is used by many young people to keep up with their friends and to send photos to each other. Snapchat can however be used for inappropriate purposes and it is important to sit down with your child and explain to them that it is not okay to share images that are rude, offensive or sexualised.

Should I be worried if my child is using Snapchat?

Any application when used incorrectly has the potential to cause harm. It is important that you openly communicate with your child about how they may be using an application and the legal and ethical ramifications of inappropriate use. They also need to be aware the dangers of communicating with people they don't know via any mobile application.

Does an image really delete on Snapchat?

There are many ways an image can be saved, even on Snapchat. iOS and Android devices have a feature which allow the device to take a photo of what is on the screen ('screenshot'). Snapchat notifies the sender if an image they have sent has been captured, however you are not always notified. There are also many other ways images can be saved without the sender being notified so it is important to encourage children to think before they post.

What are the privacy settings on Snapchat?

Snapchat has very limited privacy settings and it is important to monitor your child's usage of the application. One privacy setting that is available is the ability to restrict who can send your child's snaps. This can be enabled by going into the **Settings** menu, select **Who can send me snaps...**, then select **My Friends**. This will ensure that only users on your child's contact list can send images.

Is Snapchat a 'safe sexting' application?

It is important to know that there is no such thing as 'safe sexting' and Snapchat is no exception. Young people need to be aware that as soon as they send an image they have lost control over where it ends up. Sending sexually explicit images of someone under the age of 18, with or without their permission, could be an offence under State and Commonwealth legislation.

What are the potential problems with Snapchat?

Sharing images that are rude, offensive or sexualised can see young people in breach of State and Commonwealth legislation that carry serious legal consequences. Ethically, young people need to be aware of the impact that their online behaviour has on others as well as their own reputation.

Sexting is commonly defined as the sharing of sexualised or naked images via the internet or mobile phone, this includes mobile applications like Snapchat. Children need to realise that as soon as that image is sent they have lost control of it. Quite often we see images uploaded to the internet, including on various social networking sites, that have been shared between two people privately. Taking, sending and saving these sorts of images can also constitute child pornography offences and can have long term legal ramifications on a child's future.

If these images become public, the child in the image can, and often is, subject to bullying and cyberbullying. This may happen face-to-face at school or even online with people posting and sharing the image. It is extremely important that parents and carers are aware of the issues associated with various apps and websites so that they can openly communicate with their child about safe and responsible usage.

How do I delete my child's Snapchat account?

If after talking with your child about the ethical use of Snapchat and your family's rules around technology, you may think it's appropriate to delete the Snapchat account.

To delete a Snapchat account you can go to www.snapchat.com/a/delete_account and enter your child's account username and password. If you do not have your child's password you can put a deletion request into Snapchat.

Open and supportive discussions around technology usage are vital in ensuring your child understands their responsibilities when using technology. Simply removing the technology is not the best response as it could potentially drive your child's usage underground where there are few opportunities for you to support them.
