

# Thirlmere Public School

11 June 2014

Term 2 – Week 7

## RELIEVING PRINCIPAL'S MESSAGE

A short week at Thirlmere this week, but no less hectic. The school is a hive of activity both inside and outside of the classroom. I would like to remind parents to be mindful of closing dates for the variety of events requiring payment and permission notes as we are unable to accept payments beyond the advertised cut-off date.

## Reports

With the implementation of our new administration system (LMBR) we have experienced some technical glitches setting up our Reports. Parents of children in KP should note their child's class will appear as "P" and students in KT will appear as "K". There have also been some discrepancies in reporting of student absence data in the new system. Staff have made every effort to ensure accuracy when providing this information on reports. Please see your child's class teacher if you have any concerns.

## Security Fence

You will have noticed work commenced on this yesterday. The contractors expect the construction will take a couple of weeks. Please avoid the work compound that has been set up at the front of the school. During this period of time there may be some minor interruptions to routines and regular access points to school. Staff will be working quickly to put into place new routines. We appreciate in advance your patience with this.
