## Principal's Message

### Welcome Back

Welcome back everyone! I hope you all had an enjoyable break and recharged the batteries for another busy term. Term 4 always seems to go within the blink of an eye and before we even realise it, we will be laying in the sun enjoying the warm weather and reading a good book. Before the sun arrives however, we have many things to do. The most important one being to continue to educate our children and ensure they are achieving their potential. So please remember to send your child to school every day on time and with a positive attitude about their potential to achieve amazing things.

### Congratulations to our Newly Weds!

The holidays are always an exciting time but for two of our staff the last break was one they will always remember. Both Ms Moutos (Miss Moutos) and Mrs Downie (Miss Foreman) married their long term partners over the break.

They both looked extremely beautiful on the day and according to all reports everything went off without a glitch.

We wish them all the best for a lifetime of happiness.

### Parent Survey

Our parent survey closes this Friday. Please take the opportunity to complete this survey and help Thirlmere Public School continue to improve.

### Child protection lessons

This term all classes K-6 will begin our Child Protection Education Program. This program aligns to the PDPHE syllabus requirements. This year we are lucky enough to have the program delivered by both classroom teachers and staff from YWCA NSW. Please read the handout provided in this Newsletter for more information.

### Conversation Cafe- Special Edition

On Monday 23 October we invite our school community to attend our *School Planning and Preparation evening*. This is your opportunity to have your say and contribute to the future directions of Thirlmere Public School. To assist with childcare and encourage more parents to attend, we are holding a movie and popcorn night for the children. The movie and popcorn night is only for the children of parents attending the *School Planning and Preparation evening*. We invite and encourage as many parents/carers to attend as possible.

To help organise the evening a separate note will go home asking parents to indicate if they will be attending and how many children will attend the movie night. Please be aware we can only cater for school aged children at this event.

We will also hold our morning cafe session at 9:15am for any parents who would find this a more convenient time to contribute to our school planning conversation.

Regards,  
Lisa Whitfield  
Principal

## PBL Mini Launch

As of Week 3, you will see around the school the start of Positive Behaviour for Learning (PBL) and how we are implementing it within the school. We will commence handing out the Star Express Tokens, which will replace the old Star Awards. These will hold the same value as Star Awards and accrue the same way.

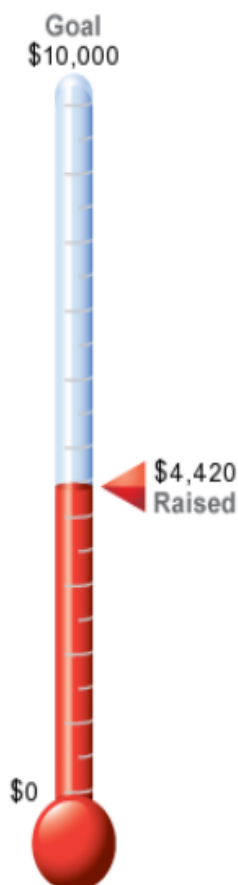

We will also be implementing the PBL Tickets. Teachers, Office Staff and Canteen Volunteers will hand these out to students who display the Safe, Respectful and Learner Values at Thirlmere Public School. These tickets will be collected within class and placed into a weekly draw to win canteen vouchers and prizes. The draw will be held at Monday morning assemblies.

We thank Parents, Community, Students and Staff for their contributions to building Positive Behaviour for Learning at Thirlmere Public School. We appreciate and welcome any feedback you may have. Mrs Downie

## Young Archie Exhibition

Students in 2/30, 3P, 3/4T and 4U studied portraiture as their Visual Arts program in Term 3. This culminated in a project where students had to choose a person they knew personally as their subject to create a portrait of. They had to give their portrait a title and write a small paragraph outlining why they chose this person. Their artwork had to portray not just their subject's physical features but also their character and interests.

Artworks will be displayed in the school hall for parents to view on Tuesday 31 October (9:00-11:30am). There will be prizes awarded for the best 4 artworks which will be presented at Monday morning assembly in week 5. Those artworks that are deemed exceptionally good will be stored and entered into the 2019 Young Archibald Competition held at the Art Gallery of NSW.

## Tell Them From Me: Parent survey

You're invited to participate in the *Tell Them From Me (TTFM)* Partners in Learning survey, designed for parents and carers. This survey complements the TTFM student and teacher surveys, which focus on student engagement, wellbeing and effective teaching practices. All Department of Education schools have the opportunity to participate if they choose.

### Why should I participate?

Parents and carers are an important and valued part of the school community. Schools will be able to use the survey feedback to make practical improvements and inform their school plan.

### What does it involve?

This is an online survey that takes about 15 minutes to complete. It is anonymous, and voluntary. If you have more than one child at this school, and feel that your children's experiences differ, you can complete the survey more than once.

### How can I participate?

You can access the survey in your own time, between 21 August and 13 October 2017. Follow the link below on your computer, tablet or smartphone:

<https://nsw.tellthemfromme.com/xvkpg>

The survey is available in English, Arabic and Chinese (Traditional). After clicking on the link above, parents will have the option to choose their language.

More information on the Partners in Learning survey can be found on the NSW Department of Education's TTFM website:

We encourage and welcome new volunteers to our Canteen roster. We are one of the last schools in the district to have a fully volunteer- run canteen. Because of this, the price of our food is cheaper and all the profits go back to the school. It is a good way to meet other parents and grandparents whilst serving interesting and healthy food to the students of Thirlmere PS. If you are interested in volunteering, please contact the Roster Co-ordinator, Vanessa Zahra on 0408 650 319 or [mummavz@yahoo.com.au](mailto:mummavz@yahoo.com.au).

## Y-PEP Child Protection Education Program Parents Information- Primary School

YWCA NSW has been invited to deliver a Child Protection Education Program to all students. The Y-PEP program has been designed by a team of professionals from YWCA NSW in collaboration with the program steering committee, consisting of members from Department of Education, NESA (formerly BOSTES), Association of Independent Schools and Catholic Education Commission amongst others.

The program is aligned to the NESA PDHPE Syllabus focusing on the three key themes; Recognising Abuse, Power in Relationships and Protective Strategies. The aim of the Y-PEP program is to strengthen the existing child protection education curriculum outcomes delivered by school teachers.

**What are the outcomes?**

As a result of this program, children and young people will have;

- An increased awareness of safe and respectful relationships
- An increased knowledge and understanding of rights and responsibilities in relationships
- Increased their skills in recognising, assessing risk and responding to unsafe situations

The workshops are highly interactive to allow students to use multiple areas of learning. Our experienced and professional facilitators deliver the workshops suitable for varying levels of skills and to create age appropriate and engaging content for them to feel safe.

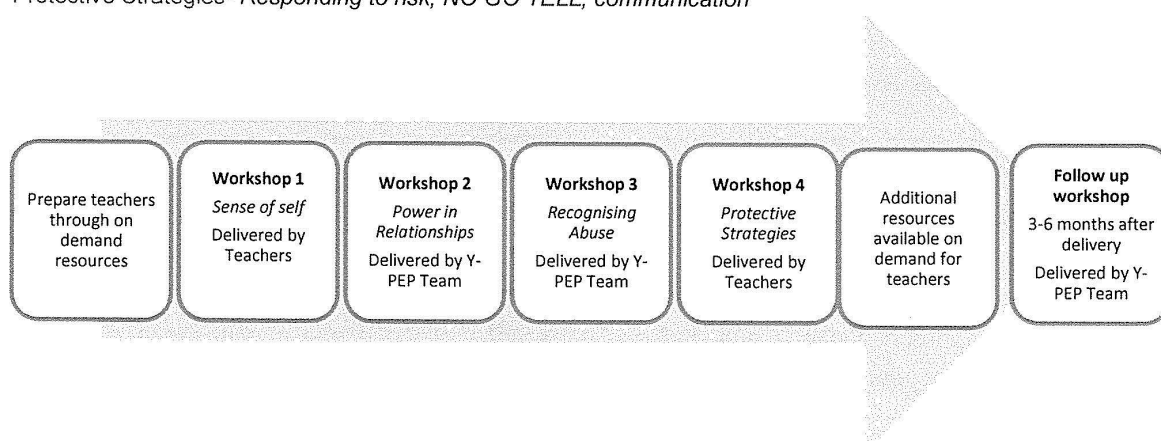

**Topics covered;**

Sense of Self- *Similarities and differences, Introduction to the UN Rights of a Child*

Power in Relationships- *Rights and responsibilities, trusted adults, power in relationships*

Recognising Abuse- *Warning signs, body parts, types of abuse- physical, sexual and emotional, safe and unsafe touching and secrets*

Protective Strategies- *Responding to risk, NO GO TELL, communication*

The primary school program will be delivered over 4 weeks with a 1 hour session presented each week. Teachers will deliver the first and the last of the workshops. All the other workshops and follow up sessions are delivered by Y-PEP facilitators.
